The Columbian

Statement from the Board on the Park Improvement Plans

The LCPOA Board members worked from the following guidelines when developing our park plan:

They are as follows but not limited to:

- Define our park borders
- Eliminate encroachment on LCPOA property
- Give the park a clean and updated appearance
- Stop people from driving motorized vehicles thru the parks
- Prevent the loss of grass from car/truck/trailer traffic
- Update areas that have been neglected since the lake inception
- Make the parks more easily accessible to those who use them
- Add equipment and upgrades that will benefit our membership both on and off the lake

Most of these guidelines were established based on member complaints and address multiple issues the Board has had to deal with over the years. By updating the parks we are also increasing property value and aesthetic appearance of the common areas of our lake.

We as a Board feel strongly that our goals reflect the general membership and that we are effectively accomplishing them.

REMINDERS:

- Pick up after your pet & please keep them on a leash.
- Please slow down when driving on our roads, the walkers, runners & bikers are out in full force with the nicer weather here.
- If you have not already done so, please pay your membership dues at the office. The were due April 1 & if we do not receive payment, we will be stopping your trash services.
- Garage Sale Date for 2014 is Saturday, June 7. If you wish to register your address & a few sale items, you can do so on our updated website by going to the contact section & listing it there. Or you can simply call the office.
- Spring Clean Up date for 2014 is Saturday, June 21, the week after the race. **Please have your items at your curb side the night before.** Granger will have several trucks out that day on the lake & they will not be going back to an area once it has been cleared by their supervisor.
- The Annual Food Drive is scheduled for August 26th and will run till October 6th.
- If you would like to help us save money, send us your e-mail address to: LCPOA@frontiernet.net so we can send you your Columbian digitally.
- Check out this site for State of Michigan Boater's Safety info: <http://www.boat-ed.com/michigan/handbook/book.html>

NOTICE 2014

PLM Lake and Land Management Corp
 8865 100th St. SE, Alta, MI 49302
 (616) 891-1294 (a) (616) 891-0371 (f)
 www.plmcorp.net

Lake Columbia has been scheduled for the week of:

Date	Description	Date	Description
4/21/2014	Water Quality	7/14/2014	Spot Weed & Algae Treatment & E.coli
5/5/2014	Survey & Optional Weed in South Channel	8/4/2014	Optional Weed & Algae Treatment & WQ
5/19/2014	Weed & Algae Treatment	8/25/2014	Water Quality
6/16/2014	Spot Weed & Algae Treatment	9/22/2014	A/AS Survey

DEQ permitting restrictions, national holidays, and/or weather conditions may influence the timing of treatments throughout the 2014 season. PLM treats each lake according to a schedule or season plan, established with the cooperation of your lake association, lake board or residents on the lake. The treatment schedule is approximate. Please watch your shoreline for the posting of the 8.5x11 inch, yellow or green signs. The signs will indicate the date of the treatment, the products used, and any restrictions on the use of treated water for swimming, watering lawns, etc. The property owners in this area are planning to have the waters chemically treated to control lake weeds and/or algae. This notice is being circulated in accordance with Department of Environmental Quality (DEQ) procedures. Below is a list of herbicides that may be applied to the lake and the associated use restrictions. On the day of treatment, signs will be posted along the shoreline within 100 feet of treatment areas that indicate what products were used and specific water use restrictions that apply.

Check all that apply	Chemical product/active ingredient	Chemical trade name	Do Not Use this water for swimming or bathing until	Do Not Use this water for ornamentals or turf irrigation until	Do Not Use this water for domestic purposes or agriculture irrigation until	Do Not Use this water for livestock watering or similar purposes until	
X	Flumioxazin	Clipper	1 Day(s)	3 Day(s)	5 Day(s)	N/A	
X	Endothal	Hydrothol 191	1 Day(s)	N/A	14 Day(s)	14 Day(s)	
X	Chelated Copper Herbicide	Komeen Crystal, Nautique	1 Day(s)	N/A	N/A	N/A	
X	2,4-D ester	Navigate 2,4 D	1 Day(s)	INDEF or until approved assay indicates a concentration of 100ppb or less for ornamentals; No restriction for established turf	INDEF or until approved assay indicates a concentration of 100ppb or less	INDEF or until approved assay indicates a concentration of 70ppb or less	
X	Triclopyr liquid	Renovate 3	1 Day(s)	120 Day(s) or until approved assay indicates 1ppb or less; No restriction for established turf/grasses	120 Day(s) or until assay indicates 1ppb or less. N/A on domestic	See product label	
X	Triclopyr/2,4-D amine	Renovate Max G	1 Day(s)	Site-specific recommendation* No restriction for established turf/grasses	120 Day(s) or until assay indicates 1ppb or less triclopyr and 100 ppb or less 2,4 D. N/A on domestic	See product label	
X	Triclopyr granular	Renovate OTF	1 Day(s)	Site-specific recommendation* No restriction for established turf/grasses	120 Day(s) or until assay indicates 1ppb or less. N/A on domestic	See product label	
X	2,4-D amine	Sculpin G	1 Day(s)	Site-specific recommendation* No restriction for established turf/grasses	N/A on domestic; assay indicates levels under 100ppb at the water intake	See product label	
X	Diquat Dibromide	Tribune	1 Day(s)	3 Day(s)	5 Day(s)	1 Day(s)	
X	PLM Blue, Cygnet Select: water dye (tracer), Copper Sulfate Alonglife: copper sulfate, Ouline Plus-Ultra, Captain-XTR, Algimycin, Earthtec, SeClear, Formula F-30, K-Tea: chelated copper, Cygnet Plus, PolyAn: Adjuvant, Pak 27, Green Clean L: oxidizer, AquaPrep: enzymes & non-ionic surfactants, Nutrisorb, M.D. pellets: gram negative, naturally occurring bacteria. PLM Enzyme: enzymes, Phoslock: phosphorus locking technology.					No Restrictions on swimming, bathing, irrigation, domestic purposes or livestock watering.	

For a complete listing of all product labels, please see our website.

NA= Not Applicable INDEF= Indefinite

*Site-Specific recommendations to limit ornamental irrigation with Renovate & Sculpin granular treated water will typically last 2-14 days. Contact PLM for further information.

The chemicals used for Aquatic Nuisance Control are registered by the U.S. Environmental Protection Agency and the Michigan Department of Agriculture. The potential for damage to fish and other non-target organisms is minimal provided that the products are used as directed on the product label and the permit. To minimize the possible effects on health and the environment, the treated water is restricted for the above purposes.

PLM Lake & Land Management Corp. Certified Applicators: Salvatore Adams, Tyler Beatty, Tyler Beigny, Jason Brooks, David Comeau, Jamee Corroy, Keith Dalley, Bill D'Ambo, Logan Eggerding, Jeff Finkle, Blake Grabbill, Dustin Grabbill, Steve Hanson, Mitch Hiller, Jake Hunt, Nate Karstka, Jacob Kizer, Justin Krieger, Blake Maloy, James Soleifer, Lucas Stage, Jordan Swift, Jeff Tolson, Andy Tomaszewski, Matthew Wardell

This is Michigan Law!!!

Your association must forward this to all riparians! Tentative treatment dates and notice of products to be applied must given to all riparians not more than 45 days before and at least seven days prior to the initial treatment.

Our LCPOA annual picnic and parade is just around the corner. Mark your calendars for Saturday, July 5th. The picnic will be held at Waverly/Hawthorne Park from 3 pm to 6 pm. The boat parade will begin at 6 pm starting at the island and the fireworks will be at dusk at the dam.

Last years events were very well attended and plans are being made to provide additional food this year as last year we ran out a little early. The boat parade had a large turnout compared to previous years and this year should be even better.

We are in need of a couple of volunteers for the boat parade. A photographer is needed to take pictures of all of the entries and a person or persons are needed to follow the parade to help keep the entries closer together so there is not a gap in the parade. Entries for the parade are being taken now. The theme will be Disney...movies, characters, etc. If you can volunteer for any of these items please contact Coleen Crampton at tccrampton@yahoo.com or by calling 592-5863. Voting will be done via email or phone message to the association office. **ONLY ONE VOTE PER LOT IS ALLOWED.**

Come join everyone for a day of LCPOA fun.

Clark Lake Yacht Club—Learn to Sail Program

June 7th, 14th, 21st—9am—1 pm

Clark Lake Yacht Club—1860 Eagle Point Rd, Clarklake
Learn basic sailing, safety or improve your sailing skills
